We, the class of 1952, proudly yet humbly dedicate our yearbook to Rosemary Batty. We feel that our lives were happier because Rosemary was our classmate and friend though all too short a time. During her illness her smile that was so characteristic of her, never left her.

# SENIOR CLASS HISTORY

On September 1, 1948, thirty-two "Green Freshies" entered the halls of SCHS. The following class officers were elected:

President. . . . . Leland Coffey  
Vice President . . . . . Leroy Durand  
Secretary and Treasurer. . . . . Dale Allen

We were grieved to have our admired friend, Rosemary Batty, pass away on January 2.

Our class advisor was Francis E. Bailey. We gave the first all school party on October 11. It was quite a success.

On September 1, 1949, thirty-three Sophomores returned to SCHS. At our first class meeting, the following officers were elected:

President. . . . . Rosemary Young  
Vice President . . . . . Richard Stahr  
Secretary. . . . . Richard Corby  
Treasurer. . . . . Beverly Moma

Our class advisor was Mr. Taylor. We sponsored the all school Christmas Party which was enjoyed by all. After a successful year, we looked forward to finally being referred to as upper classmen.

On September 5, 1950, there were thirty-one Juniors. During the year we gained two new pupils, Anne Puckett and Lois Carson. We lost Leland Coffey when he enlisted in the Navy.

Our class officers for the year were:

President. . . . . Leroy Durand  
Vice President . . . . . Richard Stahr  
Secretary and Treasurer. . . . . Richard Corby

Our class advisor was Miss Morrissey. She also sponsored our class play, "Seventeen is Awful Young." It was a big success.

We sponsored the Jr.-Sr. Banquet on May 8 and the trip to St. Louis on May 12. What a trip!

The Homecoming Queen for the year was Carole Jo Brown who represented the class. Beverly Moma was chosen as one of the Varsity Cheerleaders.

On September 5, 1951, we started our last year as students at SCHS. The following officers were elected by the class:

President. . . . . Richard Stahr  
Vice President . . . . . Lloyd Clark  
Secretary and Treasurer. . . . . Richard Corby

The class party was held on October 25. Everyone had improved their features somewhat because it was a masquerade. Games were played and refreshments were served. How about those flat tires?

We all hope to be able to use the graduation announcements we sent for. These last four years have been happy ones, in most cases, and have gone by fast.

# SENIOR CLASS PROPHECY

We were strolling down Madison Avenue in old Chicago when attracted by a young man who insisted he had something marvelous to demonstrate to us.

"I have in my back room a wonderful invention. I call it the electro-television future-caster. With it you can pick up reflected light from stars 20 or less light years away instantaneously by the new fast light pickup. Thus you do not predict the future, you see it."

We were not too sold on this scientific hocus-pocus but were intrigued by the young brain's earnest sincerity, so we decided to have a look.

"Take us forward the limit of 20 years then," we said.

"I'll focus you on Centaurus," and we heard the whir of machinery.

We sat before a yard square screen which suddenly flashed with an eerie purple light and then to milky white. Suddenly a picture burst onto the screen.

The Marquee of a theatre came plainly into view and on it we saw the name of one of the most famous movie stars in the world, Beverly Cochran.

Then as suddenly as the picture appeared it faded away and one after the other we saw many scenes reacted before our eyes.

Now we see an old man selling newspapers and magazines on the corner of a busy street. It proves to be Donnie Blakeman.

Then we were taken to Madison Square Gardens where we witness a highly publicized wrestling match. Immediately we recognized one of our old school mates known to the public as "The Blond Tigress" but to us as Peggy Carpenter.

Glancing through one of the newspapers on the rack we are happy to learn of the fortunes of many of our former schoolmates.

A column in the newspaper, "Advice to the Lovelorne" is edited by Joe De-Michael.

We see an ad for turkeys and are surprised to find that Rosemary Young is owner of a Turkey farm.

We see a picture of Lois Carson and Anna Marie Tirey. Lois has become one of the most famous designers of fashions in New York and has employed Anna Marie as a model.

One of the headlines tells of a secret discovery by Charles Guthrie for Dupont. Charles is now a famed chemist.

Now we are taken to a scene centered around a happy, though large, home. Here are Mr and Mrs Lyle Swigert. Mrs Swigert is the former Anne Puckett now the mother of twelve children.

The next scene is that of a busy city block. One building is a beauty shop owned by Carole Sue Williams. It seems that she has become an expert on dyeing hair.

Next to this building we are amazed and rather shocked to see a Bookie Joint owned by Chester Hodges and Lloyd Clark. Carole Joe Brown is their most regular customer.

Across the street we see another schoolmate "Duck Durand", the owner of a tavern. It seems he is having trouble with his latest torch singer, Jo Ann Bode.

Coming out of Durand's Tavern we see ex-millionaire, Richard Bollinger. He has lost all his money in a card game in Florida and is now a bum.

We hear music and looking down the street we see a circus parade. Richard Stahr is advertised as the World's thinnest man.

We change to a scene in Carnigie Hall where we discover a recital being given by Richard Corby, a great concert pianist. Arlene Sailsbery is Richard's booking agent.

In the audience we see Carole and Jean Lee. They seem to be doing quite well as society ladies.

The scene shifts to oriental China where we see Irene Fry and Eula Brown. They are both quite happy as missionairies.

Another change and we are taken to a cattle ranch in Texas owned by John Curtin. Charles Burnett is employed as a cow hand.

After this the amazing young man tells us that because of this intricate mechanism of the machine he can run it for only a short period of time. We thank the man kindly and depart with ever lingering thoughts of our former school mates.

## SENIOR CLASS WILL

We, the class of 1951, realize that our fun has ended and that the hour of our departure is near at hand. The bitter doses of lessons we have taken have hastened rather than prolonged our class demise, and being in full possession of alert minds and memories that put the most extensive encyclopedias to shame, we do make this our last will and testament.

### SECTION I.

We bequeath to the "beloved" faculty all our undone assignments--(of which there were plenty,) notes, broken pencils, and worries and sundry of other valued possessions.

We, the Seniors, leave the Juniors our Senior dignity. Uphold it with becoming seriousness. We also will you our studious ways.

We, the Seniors, leave the Sophomores our fine behavior when teachers are looking and our tendency to make a little knowledge go a long way in the classroom.

We, the Seniors, leave the Freshmen our debts in the office and our strongly entrenched places in the hearts of the faculty.

## SECTION II.

To the faculty we will the following enumerated articles along with our sympathy in their depressing attempts to pound knowledge into our thick skulls.

We, the Seniors, leave Mr. Abernathy the joy of seeing this class graduate.

We, the Seniors, leave Mr. Corby a box of King Edward cigars to be smoked in private.

We, the Seniors, leave Mr. Meridith a quieter and better Agriculture class.

We, the Seniors, leave Mr. Pankey all the Chemistry bills to pay.

We, the Seniors, leave Mr. Traylor a case of coke hoping it will last him two or three days.

We, the Seniors, leave Miss Morrissey the prospects of a better P. E. class.

We, the Seniors, leave Miss Holben a book entitled, "Learning to Cook."

We, the Seniors, leave Mrs. Lemaire a new pair of glasses so she can find our typing errors.

We, the Seniors, leave Horace a wrecked building to repair before next September.

We, the Seniors, leave the bus drivers a complete set of mud-free roads.

## SECTION III.

The following valuable personal properties are freely and fully given (without tax,) to be treasured as a constant reminder of the abundant and overwhelming generosity of this class.

I, Donnie Blakeman, leave my baritone horn to some other windy fool.

I, Jo Ann Bode, leave my typing ability to Roger Reeh so he can type the annual next year.

I, Richard Bollinger, leave my ability to go to Florida to anyone who has money.

I, Carole Jo Brown, leave before grades are averaged.

I, Eula Faye Brown, leave my giggle to Fred Brown.

I, Charles Burnett, leave my Mercury to anyone that never drives under 100 miles an hour.

I, Peggy Carpenter, leave my flirting ways to Mary Alice Adams.

I, Lois Carson, will leave nothing. If I can't take it with me, I won't go.

I, Lloyd Clark, leave my sister to Ralph Dude.

I, Beverly Cochran, leave my classy chassis to Nina Sanders.

I, Richard Corby, leave my musical ability to Wilma Meridith.

I, John Curtin, leave all my secret parking places to anyone who can find them.

I, Joe DeMichael, leave an example of rapid typing speed to future typing classes.

I, Leroy Durand, leave my lofty height to Kenneth Adams.

I, Irene Fry, leave my optimistic view of life to Spike Staples.

I, Charles Guthrie, leave my Chemistry book to some other sucker.

I, Chester Hodges, leave my ability to sleep on buses at night to Carrol Curry.

I, Carole Lee, leave my ability to get a man to any desperate female.

I, Jean Lee, leave my Taylorville boyfriends to Mary Ann Price.

I, Anne Puckett, leave Lyle to the hoot owls.

I, Arlene Sailsbery, leave my position in the office to Pat Corby.

I, Richard Stahr, leave for a grave undertaking.

I, Lyle Swigert, leave my "crew cut" to Miss Morrissey if she promises to keep it combed every day.

I, Anna Marie Tirey, leave my ability to skip school to anyone who can get by with it.

I, Carole Sue Williams, leave my many steady boyfriends to Barbara profiding she is as diplomatic toward them as I am.

I, Rosemary Young, leave my A's to Alice Carpenter.

Signed....

The Class of 1952.

Witnessed:

Signed, sealed, published, and declared by the Senior Class as their last will and testament in the presence of the above mentioned witnesses and in the presence of each other, have hereto set our premature minds to this will this first day of December, one thousand nine hundred and fifty-one.

# JUNIOR CLASS HISTORY

On Thursday, September 1, the dreaded day arrived when 29 "green freshies" entered Stonington High School for their first year. After two days of initiation we settled down to the grind and elected class officers.

President. . . . . Fred Brown  
Vice President . . . . . Peggy Dowdy  
Secretary. . . . . Lowell Beck  
Treasurer. . . . . Carole Ann Brown

Everyone enjoyed our class party on February 1. Mr. Pankey was our class advisor. The class was active in sports and school activities. At the end of the year Opal Blackwell, Barbara Phelps, Peggy Dowdy, and Howard Hudson moved away.

To start the Sophomore year we had only 25 members. At our class meeting we elected the following officers:

President. . . . . Ralph Lawler  
Vice President . . . . . Dorthy Vincent  
Secretary. . . . . Carole Ann Brown  
Treasurer. . . . . Mary De Michael

We were glad to gain a new student, Doris Cole. Under the leadership of Mr. Taylor, our class advisor, we sponsored an all school Christmas party. It was well attended and everyone seemed to enjoy himself. Money for activities was raised by selling candy at basketball games.

Our class was well represented in school activities. Two of our girls were elected cheerleaders, Joyce Blakeman for second team and Carole Ann Brown for the Varsity. One of our boys was on the Varsity team, and Wilma Meridith placed first in our home music preliminary.

Ready to begin our third year, we entered the good old halls of SCHS. Our officers for the year are:

President. . . . . Mary DeMichael  
Vice President . . . . . Fred Brown  
Secretary and Treasurer. . . . . Loretta Stivers

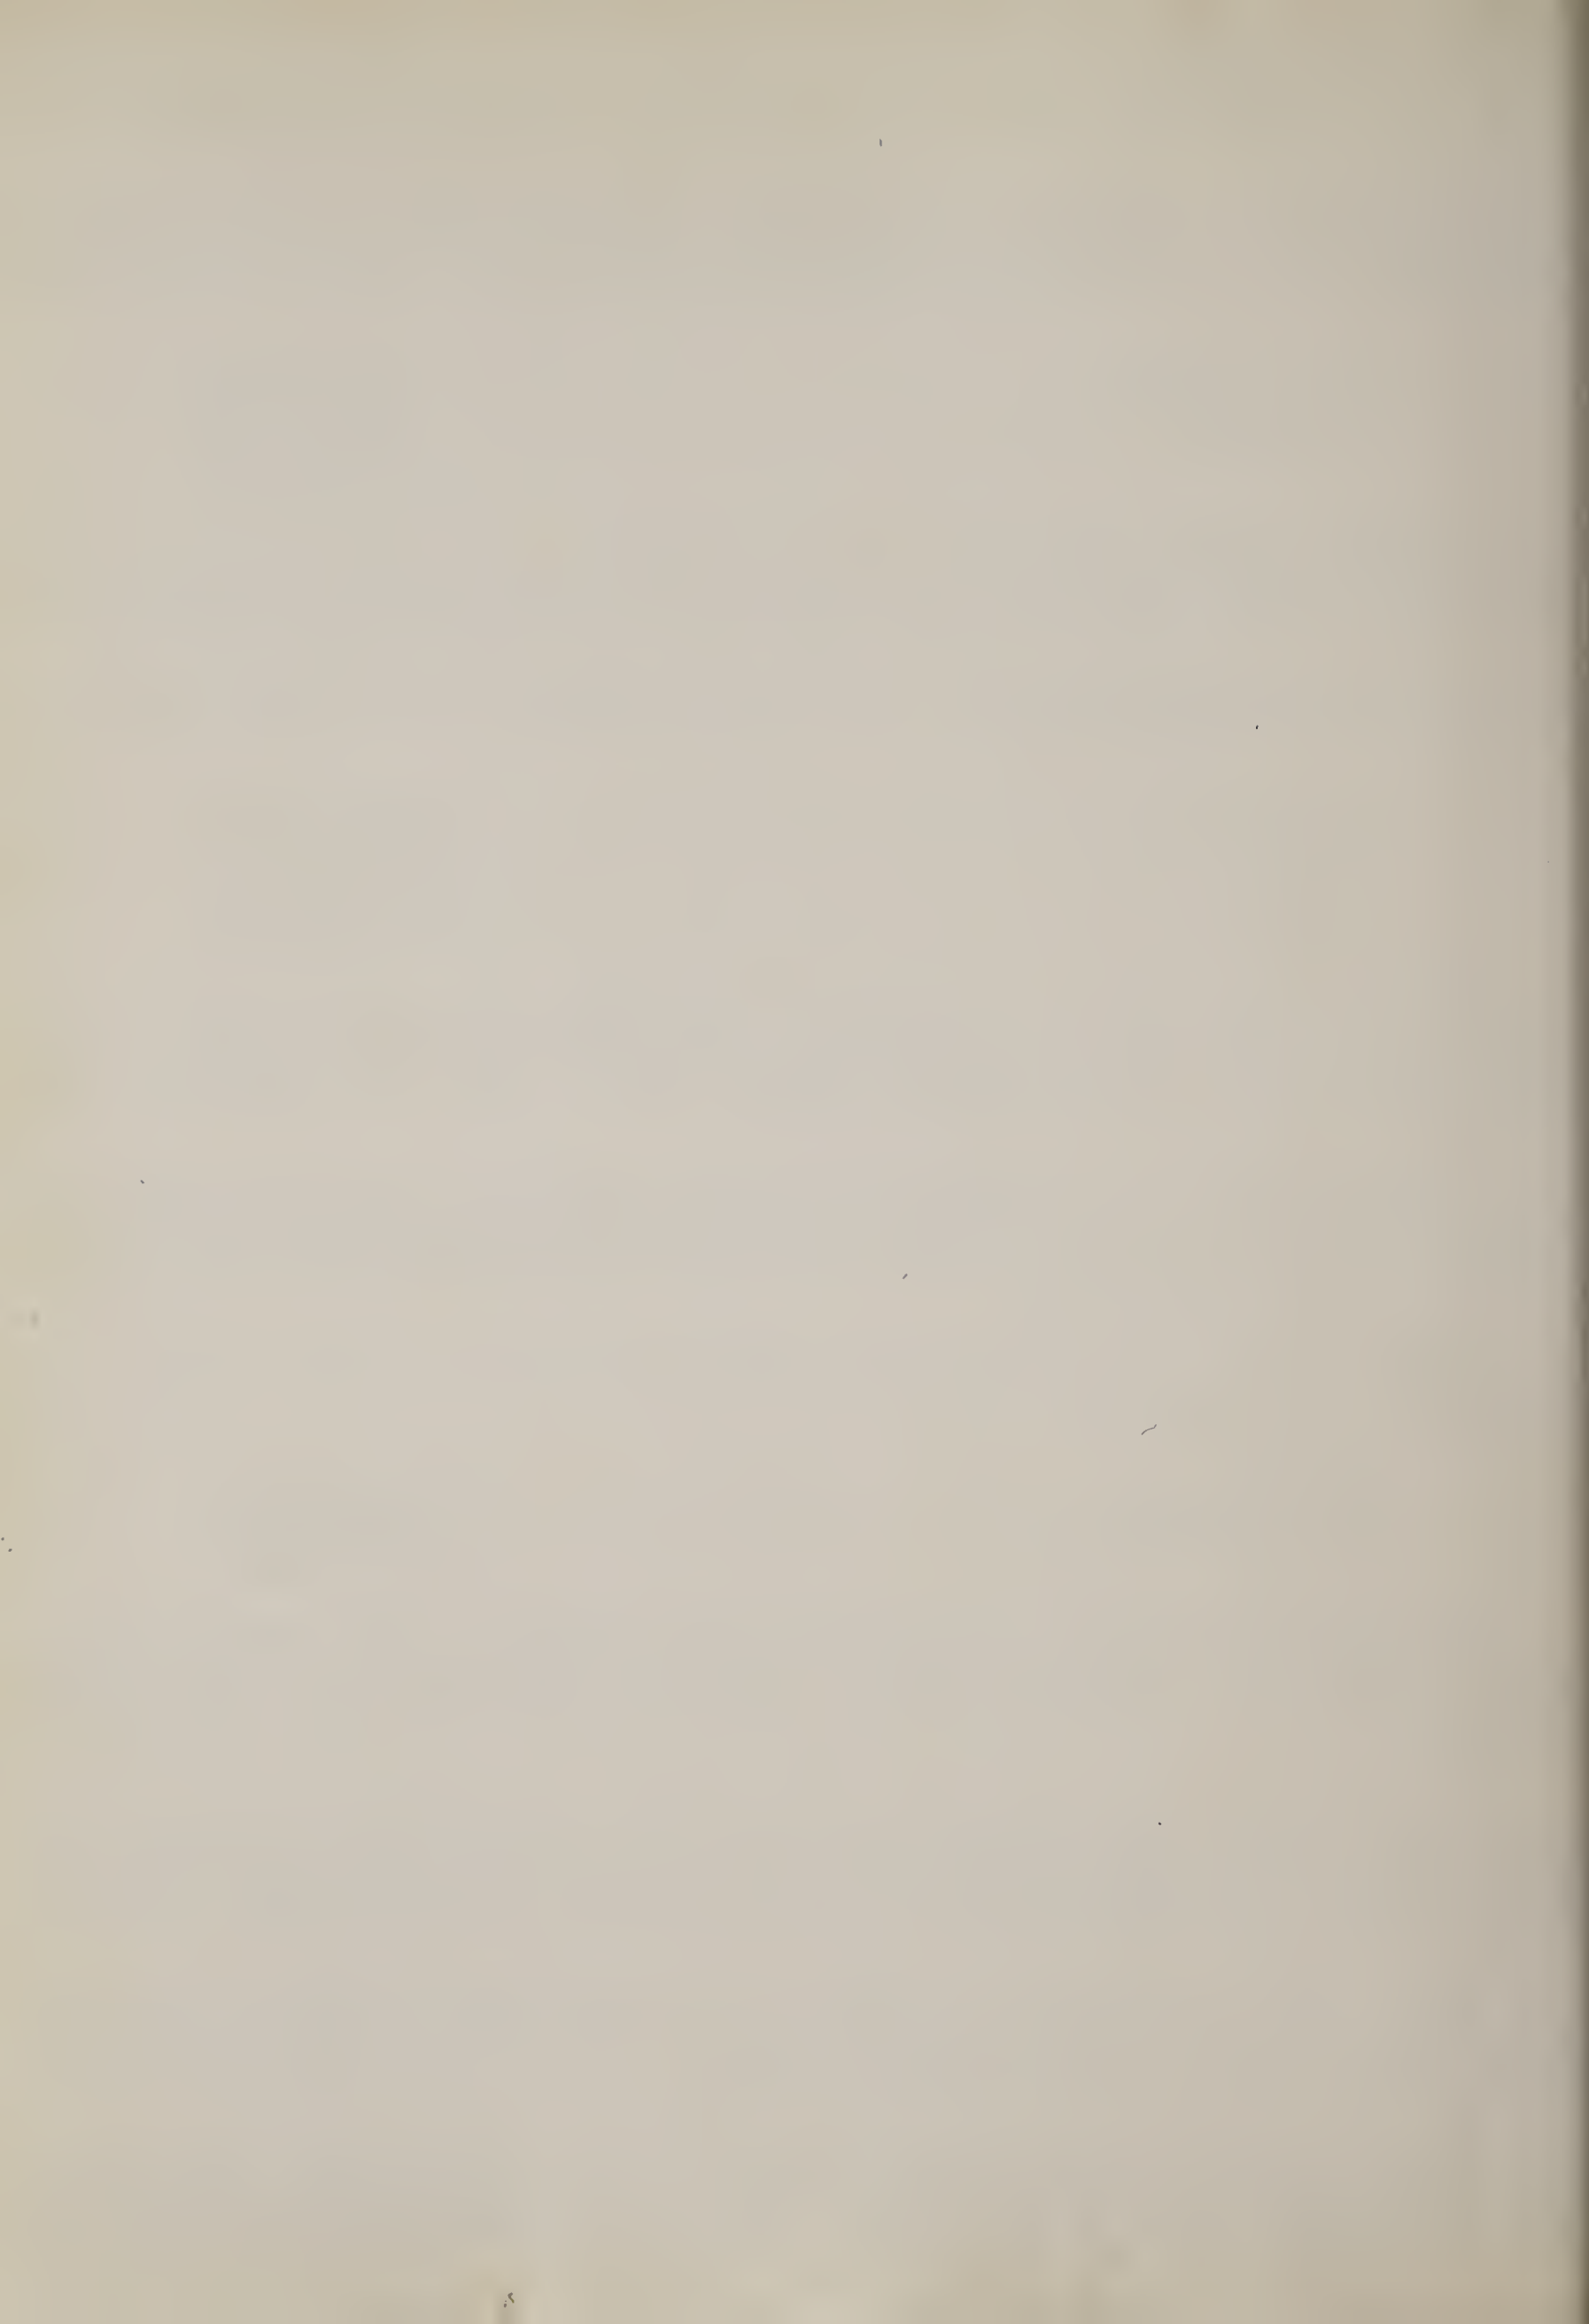

The Junior Class Play, "Junior Prom," went on record as a big success, thanks to Miss Morrissey, our class advisor. During our Junior year we have gained Glenda Collier, but lost Vernon Yates and Bill Southard before the beginning of the year.

To raise money our class sold subscriptions to magazines. We topped all other Junior classes with our high sales. The high salemen were Harry Blome, Jack Kerwin, Gerald Hurelbrink, Loretta Stivers, Raymond Poriez and Glenda Collier. We also sold candy at noon hour to help finance our year's activities.

At our class party we had no dancing but played games instead. Our class sponsored the Junior and Senior Banquet on May 13 and the annual Junior and Senior trip. We decorated for the graduation exerises.

Many of our Junior boys took part in athletics. Three of our girls were elected cheerleaders; Carole Ann Brown, Varsity, and Joyce Blakeman and Mary De-Michael for second team. Dorthy Vincent was elected Public Relation Chairman for Section 6 in FHA.

# SOPHOMORE CLASS HISTORY

On September 5, 1950, the faculty realized the presence of thirty-four new headaches, eager to learn more about the three R's. We did not know how the school had possibly gotten along without us. John Pankey served as freshman advisor, and the officers were as follows:

President. . . . .	.Patricia Clark
Vice President . . . . .	.Patricia Corby
Secretary. . . . .	.Thelma Eades
Treasurer. . . . .	.Joan Allen

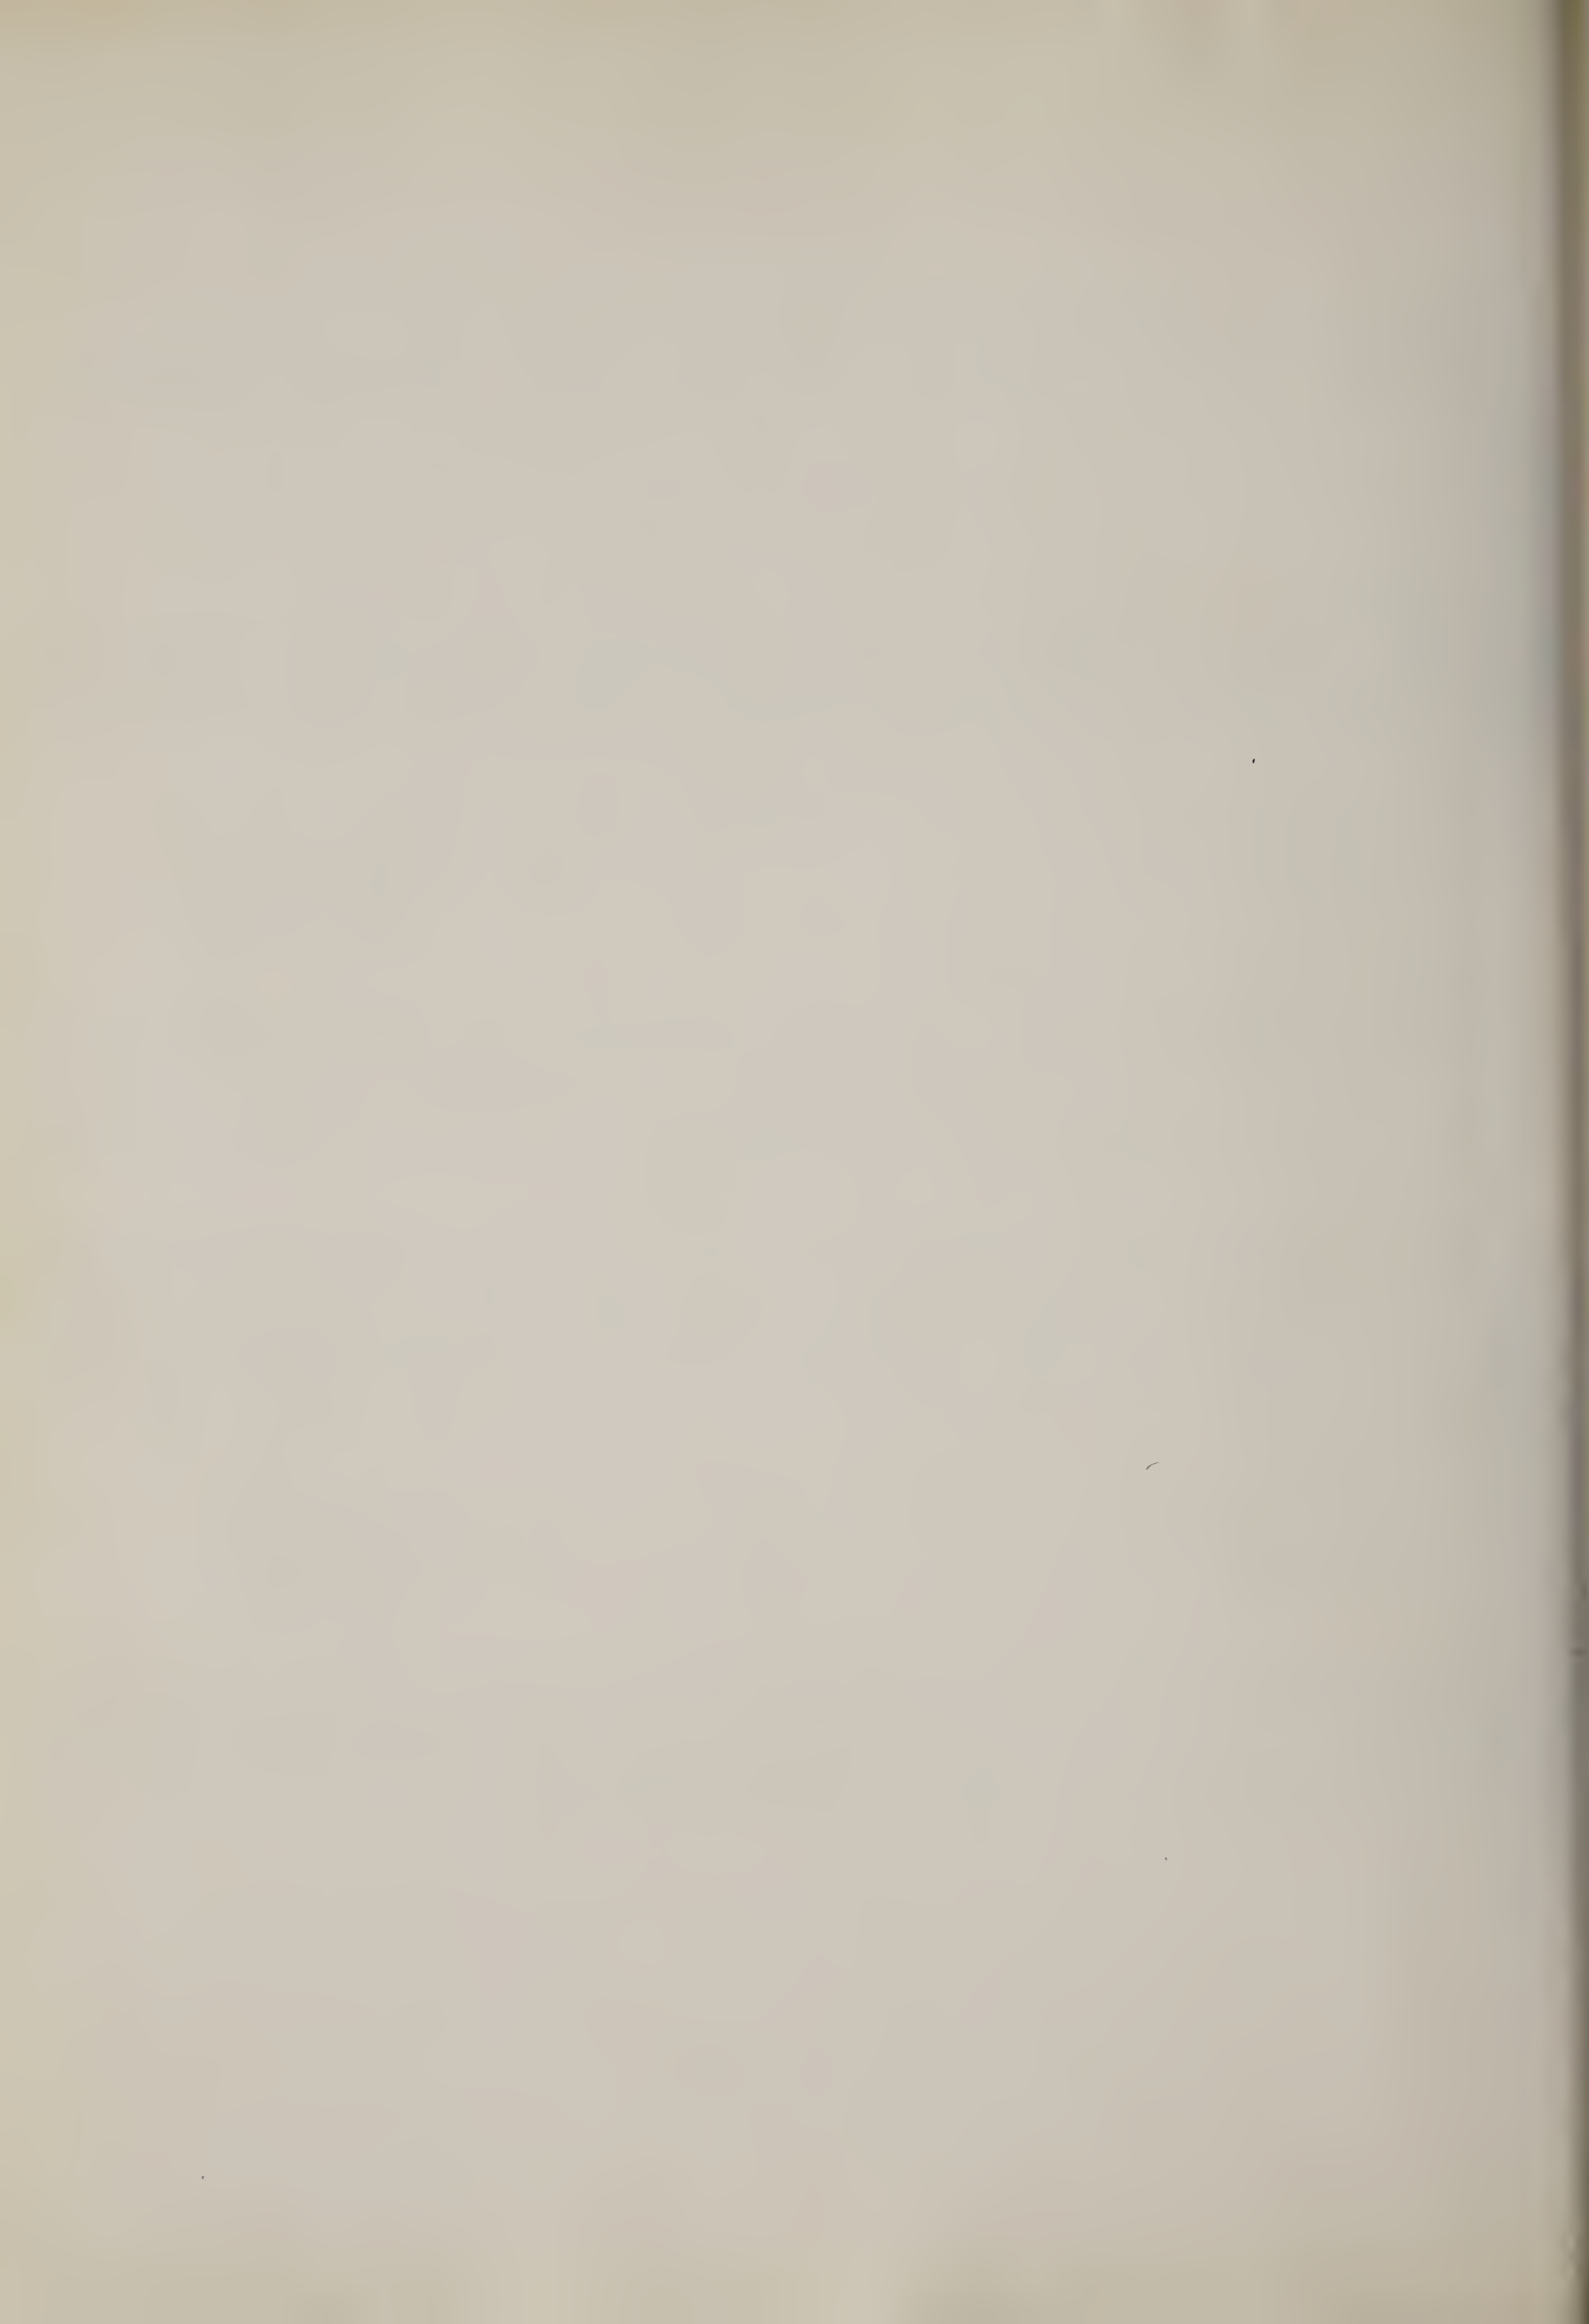

Alice Carpenter cheered for the second team, and Bob Taylor, Kenney Adams, Carrol Myers, and Billie Pile represented the freshmen in athletics. To pay for our St. Patrick's day class party on March 15, we sold the annual basketball schedule pencils. We gained Joyce Blackwell, but lost Roy Lee, Raymond Wiseman, and John Coleman to become a total of thirty-three.

Our sophomore year was started with thirty-four, having gained Donna Anderson and Max Skinner and lost Joe Woods, Bob Southard, and Alice Jones. Shortly after school started, Joyce Blackwell, Sarah and William Closson, left us. Charles Taylor advised us on anything of importance, and helped us earn funds by selling candy at home basketball games. This year the boys got even with the girls for last years offices:

President. . . . .	. Billie Pile
Vice President . . . . .	.Dale Levault
Secretary. . . . .	.Kenney Adams
Treasurer. . . . .	.Bob Taylor

Our representation in extra curricular activities and athletics was an honor. Alice Carpenter and Pat Corby were Varsity cheerleaders. The same boys went out for athletics. A Sadie Hawkins day class party was planned for December 6 and the sophomores sponsored the all-school party for December 20.

Fourth Row: Gene Wiseman, Robert Gebhart, John Woods, Carrol Curry, Jerry Lawler, Charles Price, Jackie Pile, Jerry Pierce.

# FRESHMAN CLASS HISTORY

On Tuesday, September 4, 1951 about 40 timid freshmen crept into the high school doors. Luckily, there was no freshman initiation this year. At our first class meeting we elected the following officers:

- President. . . . .Terry Poriez
- Vice President . . . . .Helen Clark
- Secretary. . . . .Connie Batty
- Treasurer. . . . .James Meridith

There were four freshmen girls who tried out for cheerleader. Most all the freshmen boys went out for sports. Many freshmen girls were in girls chorus and a few freshmen were in the band.

After a few dances the freshmen began slowly to leave their chairs on the side lines and learn to dance. We attended some hayrides, invitational parties, and weiner roasts.

We have two new pupils this year. They are Ralph Dude and Thomas Black.

Before long we will be called silly sophomores instead of green freshmen.

Athletics

# BASEBALL

First Row: C. Staples, G. Hurelbrink, J. DeMichael, D. Blakeman, C. Hodges, R. Stahr, L. Swigert, R. Poiriez.

Second Row: F. Brown, C. Curry, B. Taylor, K. Admas, C. Myers, J. May, J. Meridith, Mr. Corby.

We had our first practice the last of August. Twenty-three boys reported for practice; eight freshmen, four sophomores, five juniors and five seniors. We got off to a bad start by losing our first 3 games to Niantic, Macon and Morrisonville. Niantic and Macon were league games. But after these three games we won six games in a row. After these games there was a four-way tie for first place in the Macon County League. We had a play off at Decatur at the Johns Hill diamond. We won our first game in the play off by beating Niantic 7-2, but lost the second to Warrensburg, 4-0. We think we had a pretty good season with seven wins and four losses.

The Wildcats enjoyed another successful basketball season this year. We ended the season with 20 victories and 10 defeats, bringing our total for the last two years to 64 victories and 26 defeats. We placed fourth in the Meridian Conference with a 7 won and 5 lost record. In non-conference games we had a 6 won and 2 lost record. We had still more success in the tournaments, playing in the championship game of two tournaments and in the consolation game of another. The team scored 1672 points in 30 games for an average of 56 points a game. Of these 1672 points 452 were free throws and 610 were field goals.

Our second team had an excellent record also. They won 11 conference games and in non-conference play they won 8 and lost none for a total of 19 victories and 1 defeat.

We seniors wish next year's team the best of luck and we know they will carry Stonington on to another victorious basketball season. We are proud that we have had the privilege of playing for the school and Mr. Corby and on a team which showed such team spirit.

# HOMECOMING

On February 8, 1952, after a victorious basketball game with Moweaqua, Anne Puckett was crowned "Homecoming Queen", by Carole Jo Brown, queen of 1951. Anne was chosen from a field of twelve contestants by a penny-a-vote contest.

The members of the court and the new queen were escorted to the flooded throne, where Carole Jo was seated.

Leroy Durand announced the contestants as they entered and Richard Corby played the processional and fanfare.

Mary Doyle, flower girl, and Johnny Marucco, her escort, led the Queen to her throne. Anne Puckett was escorted by Lyle Swigert. Mary carried flowers and a gold basketball for the queen and each of the contestants. The members of the court were: Carole Ann Brown, Junior attendant, escorted by Jack Kerwin, Pat Corby, Sophomore attendant, escorted by Donnie Blakeman, Helen Ann Clark, Freshman attendant, escorted by Jimmie Meridith, Lois Carson, escorted by Lloyd Clark, Rosemary Young, escorted by Chester Hodges, Darline Blome, escorted by Richard Stahr, Dorothy Vincent, escorted by Keith Swigert, Connie Batty, escorted by Cloyd Staples, Alice Carpenter, escorted by John Curtin, Barbara Williams, escorted by Donnie Swigert, Nancy Cook, escorted by Fred Brown.

The next event of the evening was a cakewalk, followed by a dance. The cake walk was very successful and the dance was better than expected since the juke box failed to play. We were fortunate to have some musician in the crowd.

We are proud to be able to say that the third Annual Homecoming was a success and hope that the event will continue to be one of the high lights of the school year.

It has met three times so far this year, and two more meetings are scheduled. No definite membership has been established; however, these meetings have been well attended.

At each meeting, we had a speaker who told us about his particular type of work. The first was our superintendent, Mr. Abernathy, who told us about Civil Service, the second was a social security worker, and the third a local doctor, Dr. Puckett. Material concerning these vocations was left and placed in our school library.

Dear Ralphie.

Don't forget to save me a seat  
in Mr. Tupper's home study  
hall. I'll know that poor old  
dog. Don't do too much of listening  
or I'll have to smack you with  
the rolling pin.

Have fun on the Junior and  
Senior trip I did. Take good care  
of Smuckelfitz cause she's a  
good old dog. Have fun you  
Senior year because after all you  
are only a Senior once. Well I  
guess I'll wish you all the  
luck in the world and close.

Good Luck Ralphie.

Don't flirt with  
that Smith or  
Jones. Try or  
I'll see you  
for Bigamy.

Carol
